Subject: RE: RRV Enterprises, Inc. d/b/a Consumer Access

Unfortunately none of the records are with me. I will reach out the firm that used to do our compliance reporting to see if they have any records but I will be out of the country from Monday February 16th through March 12th so it will have to wait till I return. However, after talking to our former CFO he is confident that we did no business in AZ during 2012/13 as the company, as a whole, had stopped providing intrastate service prior to that time.

In the meantime, in connection with docket no. T-03222A-15-0040, I would like to formally request that under under Arizona Administrative Rule (A.A.C.) R14-2-1107(B), we be granted a waiver to providing public notice as: RRV has not provided service to any customers in Arizona since December 31, 2013 and therefore there are no customers to take notice, no records currently exist for RRV and that RRV believes that it would be a tremendous financial hardship for RRV if it is required to provide legal notice. In addition, RRV is no longer registered with the Corporations Division to conduct business in Arizona.

Thank you for your assistance in this matter.

Best regards,
Bruce Robin
